Honorable Errett P. Scrivner  
House of Representatives  
Washington 25, D. C.

Dear Mr. Scrivner:

We appreciate your letter of 5 July 1956 on behalf of Mr. [redacted]. He was good enough to furnish us a resume of his experience and interests following a visit to our offices here in Washington.

After a careful review of our needs as contrasted with Mr. [redacted] talents and skills, we find that we have no openings which we consider appropriate. We shall be glad to retain the papers we have against possible future use and we have so informed Mr. [redacted]. A copy of our letter to him is enclosed.

Thanks again for your interest in our organization and I regret the possibilities of our offering Mr. [redacted] a place with us are not more promising. Best regards.

Sincerely,

SIGNED
